

DID YOU KNOW?

25 MILLION PEOPLE

are sent to the emergency room through ground or air ambulance every year.

Insurance companies **may not** cover all air and ground ambulance expenses which can result in excessive bills.

 **\$5,000**

 **\$60,000**

PLATINUM MEMBERSHIP BENEFITS

A MASA MTS Membership provides the ultimate peace of mind at an affordable rate for emergency ground and air transportation service within the United States and Canada, regardless of whether the provider is in or out of a given group healthcare benefits network.

After the group health plan pays its portion, MASA MTS works with providers to deliver our members \$0 in out-of-pocket costs for emergency transport.

Emergent Air Transportation

In the event of a serious medical emergency, Members have access to emergency air transportation into a medical facility or between medical facilities.

Emergent Ground Transportation

In the event of a serious medical emergency, Members have access to emergency ground transportation into a medical facility or between medical facilities.

Non-Emergency Inter-Facility Transportation

In the event that a member is in stable condition in a medical facility but requires a heightened level of care that is not available at their current medical facility, Members have access to non-emergency air or ground transportation between medical facilities.

Repatriation/Recuperation

Suppose you or a family member is hospitalized more than 100-miles from your home. In that case, you have benefit coverage for air or ground medical transportation into a medical facility closer to your home for recuperation.

Escort Transportation

If you or a family member requires medical transportation, you may elect to have a family member or friend accompany you during the medical transport. This benefit is limited to space availability within the vehicle, giving due priority to medical personnel and equipment.

PLATINUM MEMBERSHIP BENEFITS

Visitor Transportation

If you or a family member is hospitalized more than 100-miles away from home for more than 7-days (consecutively), you may elect to have a family member or friend transported (by commercial airline) to be present while you recover.

Return Transportation

In the event a Member is hospitalized more than 100-miles away from home for more than 24-hours, Member has access to return transportation, upon their release, to the commercial airport nearest their home.

Mortal Remains Transportation

If you or a family member dies more than 100-miles from home, MASA shall pay (on behalf of the Member's estate) the airway bill associated with the return of the Member's mortal remains.

Minor Return

Suppose you require the use of one or more of the transportation benefits and, as a result of your need, a minor child (who is in your custody) is left unattended. Even if this occurs, the minor child will be covered for return transportation (by commercial airline) to the commercial airport nearest the child's home.

Organ Retrieval/Organ Transportation

In the event of an organ transplant procedure, MASA will arrange for the transportation of you or the transplant organ to the transplant site.

Vehicle Return

Suppose you use one or more of the member transportation benefits. As a result of using the benefit, you may elect to have MASA transport your ground vehicle to your home or rental return location.

Pet Return

If you use one or more of the member transportation benefits while with your pet, you may elect to have MASA MTS transport your pet home.

Worldwide Coverage

Contingent on a 10-day prior notice to MASA MTS of your travel plans, you have coverage for worldwide non-emergent air transportation, repatriation/recuperation, return transportation, escort transportation, visitor transportation, and mortal remains transportation. Coverage is limited to 90 days or less of travel.
